# Market Trends

# Technology Is Driving the Change

Impacting how and where consumers shop and pay

NFC/Contactless

Bluetooth/BLE

Beacons

Mobile wallets

Wearables

# Customer Expectations Are Increasing...

...creating opportunities to build loyalty and revenue with personalized experiences.

Interactions should be:

- Personal
- Relevant
- Predictive
- Highly intuitive
- High-value
- Secure

- 
- Protect my privacy
- Motivate me
- Easy to use
- Give me a better experience
- Know what I like
- Know me

Now, you can.

# The Power of Verifone Engage Unleashed
